The Club has now on its rolls 130 members drawn from the several offices in Bangalore. It is running a reading room and library. There are about 600 volumes in the Library. Among the papers and journals subscribed for are the following

The Hindu,
The Madras Mail,
The Daily Post,

Visvakarnataka Weekly,
The Times of India Weekly,
The Modern Review,
The Indian Review,
The Strand Magazine,
Prabuddah Karnataka.

Tennis and Badminton and indoor games such as table tennis, carrom, ~~drafts~~ draughts, cards, etc., are provided to the Members. As the income of the Club from subscriptions and investments is very meagre, the Committee request that the annual

subvention of Rs 200/- may be kindly made permanent.

The management will also be very grateful if the foreign journals, weeklies and news paper received in the Secretariat and the Dewan's Office could be arranged to be passed on to the Club for being placed on the reading room table as and when the fresh issues arrive.

Sir, In continuation of G.O. No 7.9.39 I am desired to ~~inform you that, from~~ the financial statements of the Club for the Calender years 37 to 38 it has been observed that heavy arrears ~~have been allowed to be accumulated~~ under subscription from the members ~~which has rendered the financial position of the Club rather unsound. The Government~~ of the subvention of Rs 200 a month for a further period of two years from 1st July 1939 has been sanctioned with a distinct understanding that efforts should be made to collect the arrears and not always seek for Government help. I

Before any further intervention from Govt is sought.
